TILL 13 SEPTEMBER

Come and explore different Belgian cities all summer long ! Follow the rhythm of our DJs, and have fun with our staff!

Based on an original and playful concept, the **AG Roller Bike Parade** offers sporting rides to challenge you during the summer months since 2002.

For this new edition, from June 7 to September 13, the **AG Roller Bike Parade** travels across all of Belgium for the pleasure of all fans of alternative mobility

Rollerblades, bikes, skateboards, scooters, or longboards? Every wheeled gear is allowed, and why not even try the electric ones ? Only one small condition : be ready to live an unforgettable experience!

## For beginners and pros alike

This event is completely free for both beginners and pros. Two different courses will be available to better meet the needs of every participant to be challenged and have fun.

## AG Insurance, supporter of your life

Sponsor of many sporting events, AG Insurance joins in the adventure for this 17th edition. To celebrate, new Belgian cities have been added for that much more fun for the summer. You got it! This year, the AG Roller Bike Parade gets bigger than ever, and wishes to convince all Belgians to connect with us for a unique sporting experience.

## A Scooter parade?

No rollerblades? No bikes? No skateboards? Don't worry, we've got you covered! This summer, thanks to Flash, you will be able to ride with us with their electronic scooters! While in Brussels, come and try this new soft mobility means of transport - a great, practical and affordable alternative for your everyday commute.
